SILEXA

DRAFT LINE CLEANER

CLEANING DOESN'T HAVE TO BE COMPLICATED,
JUST THOROUGH. THE PERFECT BEER ENJOY-
MENT RELIES ON THE HYGIENE OF THE
BEVERAGE LINES.

THE CLEANING SERVICE FOR PURE BEER PLEASURE

Milk bacteria? Wild yeasts? Beer-damaging bacteria? These can quickly drive your guests away. On the other hand, beer drinkers appreciate it when their poured beer always tastes as fresh as they expect. Regular cleaning of the beer lines is essential for this. The Draft Line Cleaner takes care of it for you.

2.4" TOUCHSCREEN REMOTE CONTROL UNIT WITH REMINDER FUNCTION

SUITABLE FOR ALL BEVERAGE LINES (OPTIONALLY ALSO FOR BAG-IN-BOX WITH PUMP)

SELF-EXPLANATORY - PROCESS DISPLAYED ON THE TOUCH SCREEN
